# THEME: SPIRITUAL BABIES

Thought of the Week: "There was in a city," He said, "a judge, which feared not God, neither regarded man; and there was a widow in that city; and she came unto him, saying, Avenge me of mine adversary. And he would not for a while; but afterward he said within himself, Though I fear not God, nor regard man; yet because this widow troubleth me, I will avenge her, lest by her continual coming she weary me. And the Lord said, Hear what the unjust judge saith. And shall not God avenge His own elect, which cry day and night unto Him, though He bear long with them? I tell you that He will avenge them speedily." *Christ's Object Lesson. Chapter 14, Page 164, by Ellen G. White*
